

Instructions:

With the help of an adult, cut out the die (above) and counters (below). Fold on each line and apply glue to the dotted tabs. Fold to make a cube shaped die.

Up to 4 players. Have a cup of water/juice per player and a jug of water/juice for refilling.

Start at 1 and take it in turns rolling the die and moving your counter the correct number of spaces.

If you land on a drink, climb up the straw to the drinking bladder and have a drink yourself.

If you land on a bladder, slide your counter down the urethra tube to the puddle and fill your cup back up!

If you land on 30, drink all of your cup of water/juice that is left in the cup and you are the winner!
