# Your Task

## Composing Your Song Lyrics

### Language

Can you use emotive language in your song?

Can you use figurative language in your song? (personification, similes, metaphors, hyperbole)

### Meaning

What is the meaning behind your song?

What are you trying to say?

How do you want people to feel?

What do you want people to think?

### Repetition

Which words do you want to repeat as a chorus?

What is the most important message of your song?

## Performing Your Song

### Melody

How can you sing your song to match the language/meaning?

What tempo will you use?

Challenge:

Can you learn the Makaton signs for some of the words in your song so that you could use them when performing?
