

Proud to be celebrating

October

Down Syndrome Awareness Month

#tobe

Fundraising Fun!

Supporting Down Syndrome UK is easy and fun!

We have come up with a few ideas to help you raise money and reach your fundraising target.

Mini fundraising ideas: These ideas could bring around **£100-£200** and are easy to organise.

Treat sale

Why not set up a stand at your school, workplace or community centre and sell some yummy treats. Bake your own or ask local bakeries to donate some treats to sell off

Movie night

Source a local venue (community centre or similar), organise a projector and charge a small entry fee for those wanting to come along

"Guess the name"

Source a stuffed toy, think of 50 names, charge £1-£2 per entry.

Dress up day

Organise a dressup day at school, local group and ask for donations in return for dressing up. Why not make it themed? Superhero, colour, rainbow etc.

Talent show

Organise a school talent show to showcase all the amazing gifts and talents children and staff have. Sell tickets to the show or refreshments on the night.

Raffle

Ask local businesses for donations or host a bring a bottle and make some lovely hampers to raffle off.

Sponsored walk

Choose a distance with a challenge. You could all walk the same distance or have each class do their part and add up to the total distance.

For more ideas and resources to support your fundraising, please visit:

Your support goes a long way

£10 Heart Buddies Pack

Send a Heart Buddies Pack for a baby awaiting heart surgery

£15 Positivity Pack

Pays for a Positivity pack sent to expectant and new parents to celebrate their little ones arrival.

£20 Resources

Pays for resources to a maternity unit ensuring we reach expectant and new parents when they need us.

Every contribution, no matter how small, helps us to continue to provide resources, support services, and initiatives that make a real difference in the lives of those with Down syndrome and their families.
